Honoring our Vision — Creating our Future

OUR GROWING CHURCH FAMILY

This is the year of our Jubilee – our celebration of 50 years of growth as brothers and sisters of the one Lord and Savior, Jesus Christ. Let's join together and step out in faith to bring to fruition the vision of those who helped build this great parish family over its first fifty years and carry us forward in our own hopes and dreams for its future.

Through the years we have grown in number and we have grown in ministries. In continuing our mission to “*seek and serve Christ in all persons*” we must

provide the necessary physical facilities and funding to meet the growing needs of our parish community and to continue to attract new members.

The results of our Jubilee Capital Campaign will enhance worship, education, lay ministry, outreach, and other areas of church life yet to be imagined. Pray that the Holy Spirit will guide and direct us in the days ahead. Let us not go forward with a few, but united as one parish family and by the good graces of us all.
