HONORING OUR VISION — CREATING OUR FUTURE

JUBILEE CAPITAL CAMPAIGN

Honoring our Vision — Creating our Future

REACHING OUT TO THOSE IN NEED

Outreach is a crucial part of who we are at Transfiguration. Each year we must turn down opportunities due to inadequate funding. By making outreach a priority in our Jubilee Capital Campaign, we pave the way for efforts today and in the future.

Our goal is to use ten percent of the total monies raised to fund an endowment for outreach which will be administered through the existing Transfiguration Endowment Fund.

An endowment for outreach will:

- Provide annual income that can be directed to emergency needs in our city and the larger community.
- Enable increased and continued funding for our many outreach ministries. For example, the Vestry has made a commitment to fully fund the 2006 Jubilee Habitat House.
- Assure that there will always be a readily available source of funding for future opportunities.

We already support over 22 outreach ministries and programs. We reach many, but the need is great. Together we can do so much more.
