

HONORING OUR VISION — CREATING OUR FUTURE

PRAY WITH US

We are being called by God to unite and to build for our future. Our prayers are needed as we plan and build for generations to come. Let us pray ... together.

GROW WITH US

We are a church in need of more space and more ways to minister to our growing church family. The new South Building, remodeled Children's Ministry Building, organ, and outreach endowment are key for creating our bright future.

NURTURE OUR CHILDREN WITH US

The new Children's Ministry Building will provide a warm, inviting, and permanent Sunday School space for our children. The time is now to build for our children's future.

REACH OUT WITH US

Outreach is a crucial part of who we are. Each year we must turn down opportunities due to inadequate funding. We already reach many, but the need is great. An outreach endowment will provide additional funding.

GIVE WITH US

The scriptures indicate three things happen when you give to the church: the sincere needs of the church will be met, God will be praised, and you will be blessed. Return your Pledge Card during worship service on May 20th and May 21st.
