# ENTREPRENEURIAL COLLEGE

Entrepreneurship and Small Business  
Management Certification

Entrepreneurship is about innovation and creating opportunities. Our Entrepreneurial College gives you the tools needed to create, start, and sustain a successful business venture. The curriculum spans all stages of small business development including: small business management, financial planning, marketing strategies, and operational management. This professional certificate teaches you the steps necessary to execute and manage a successful business. Create your future today!

Register and complete your entrepreneurship certification at your own pace. Courses are priced individually. Financial aid is available for those who qualify. Call 214-860-8609 for more information.
